

KALININGRAD SCIENCE FORUM - 2016

- XIII conference of Ural immunologists
- Symposium on primary immunodeficiency «J Project»
- Symposium on primary immunodeficiency centers «JMF»
- II school for young scientists «Balticbiomed: Innovations in Medicine»

**25 June - 3 July 2016 Kaliningrad,
Russia**

Forum Organizers:

Federal Agency for Scientific Organizations
Ministry of Health of the Russian Federation
Ministry of Health of the Kaliningrad region
Immanuel Kant Baltic Federal University
Russian Society for Immunology
Ural Society for immunologists, allergists and immune rehabilitators
The international educational project for primary immunodeficiencies «J Project» и «JMF»
Institute of Immunology and Physiology UB RAS

Forum Associate Chairmans

Chereshnev Valeriy Aleksandrovich, member of the Academy of Sciences, president of the Russian Society for Immunology and of the Ural Society for immunologists, allergists and immune rehabilitators, Presidium member of the UB RAS, Committee Chairman of the State Duma of the Federal Assembly of the Russian Federation for Science and High Technologies, director of the Institute of Immunology and Physiology UB RAS (Yekaterinburg, Russia).

Klemeshev Andrey Pavlovich, Doctor of Political Science, professor, rector of the Immanuel Kant Baltic federal University.

Associate Chairmans of the Organizing Committee

Litvinova Larisa Sergeevna, Doctor of Medical Sciences, Head of Laboratory immunology and cell biotechnology of the Immanuel Kant Baltic federal University.

Tuzankina Irina Aleksandrovna, Doctor of Medical Sciences, professor, chief research scientist of Laboratory of inflammation immunology of the Institute of

Immunology and Physiology UB RAS, Head of Center for primary immunodeficiency, secretary general for the Russian Society for Immunology and for the Ural Society for immunologists, allergists and immune rehabilitators (Yekaterinburg, Russia).

Members of the Organizing Committee:

Goncharov Andrey Gennadevich, Candidate of Medical Sciences (Kaliningrad)
Zima Anastasia Pavlovna, Doctor of Medical Sciences (Kaliningrad)
Kozlov Vladimir Aleksandrovich, Member of the Academy of Sciences (Novosibirsk)
Kozlov Ivan Genrihovich, Doctor of Medical Sciences, professor (Moscow)
Prodeus Andrey Petrovich, Doctor of Medical Sciences, professor (Moscow)
Rizopulu Anna Panaetovna, Doctor of Biological Sciences (Moscow)
Seledtsov Viktor Ivanovich, Doctor of Medical Sciences, professor (Kaliningrad)
Simbirtsev Andrey Semenovich, Doctor of Medical Sciences, professor (St. Petersburg)
Totolyan Areg Artemovich, Corresponding Member, professor (St. Petersburg)
Chereshneva Margarita Vladimirovna, Doctor of Medical Sciences, professor (Yekaterinburg).
Korenev Sergey Vladimirovich, Doctor of Medical Sciences, professor (Kaliningrad)
Tihonova Nataliya Konstantinovna, Doctor of Medical Sciences, professor (Kaliningrad)
Zubov Dmitriy Aleksandrovich, Candidate of Biological Sciences (Kiev, Ukraine)
Zamorina Svetlana Anatolevna, Doctor of Biological Sciences (Perm)
Raev Mihail Borisovich, Doctor of Biological Sciences, professor (Perm)
Hanferyan Roman Avakovich, Doctor of Medical Sciences, professor (Krasnodar)
Sotnikova Nataliya Yurevna, Doctor of Medical Sciences, professor (Ivanovo)

Program Committee:

Goncharov Andrey Gennadevich, Candidate of Medical Sciences (Kaliningrad)
Korenev Sergey Vladimirovich, Doctor of Medical Sciences, professor (Kaliningrad)
Tihonova Nataliya Konstantinovna, Doctor of Medical Sciences, professor (Kaliningrad)

Dear colleagues!

We are pleased to invite you to participate [in the Kaliningrad Science Forum - 2016](#) which will be held from June 25 to July 3, 2016 in the city of Kaliningrad, on the basis of the [Immanuel Kant Baltic federal University](#).

The Forum program planned:

- [XIII CONFERENCE OF URAL IMMUNOLOGISTS](#) dedicated to the problems of fundamental and clinical immunology with experts in the field of immunopharmacology, immunology of reproduction, immunobiotechnology, immunodiagnostics, allergology and allergodiagnostics and others.

- Symposium on primary immunodeficiency «J Project»
- Symposium on primary immunodeficiency centers «JMF»
- Competition for young scientists for the best work in the field of immunology and allergology (oral and poster reports).
- Exhibition of russian and foreign companies.
- The cultural program.

APPLICATION FORM AND REGISTRATION FEE

The prerequisite for participation in all events of the Forum is the pre-registration and payment of the registration fee. To register, fill out the application form and send it with a note **"to the organizing committee "Kaliningrad - 2016"** in the form of attachments to e-mail: immuno2015@mail.ru. The name of the file containing the application form must be formed from the name of the participant and his initials and the name of the city, such as "IvanovaIA_Ussuriysk." The letter must contain a file (jpeg / pdf) of the scanned document on the payment of the registration fee. In the absence of information about payment registration is automatically canceled.

The registration fee includes: obtaining a personal badge and participant portfolio with Forum materials (collected papers and program of the Forum), participation in all scientific activities of the Forum and the opening official buffet.

The registration fee can be paid by the participant independently or by bank transfer via institution. An invoice will be sent to you immediately after receiving the application form. **The registration fee must be made before [April 1, 2016](#).**

REGISTRATION AND PUBLICATION OF MATERIALS

Materials of the Forum will be published in a separate issue of the "Russian Journal of Immunology" which is included in the list of leading peer-reviewed scientific journals of the Higher Attestation Commission. Materials are accepted **only in electronic form before [April 1, 2016](#)** at the address: ikbfu@bk.ru.

Materials will be published only if the copy of the document on the payment (100% preliminary payment) will be exist. A copy of the document on the payment must be attached to the letter.

! Each author may submit no more than 2 publications.

! Be sure to specify the e-mail address and telephone number of the author for feedback.

! Be sure to indicate the intended topics submitted for publication materials (see below).

THE INTENDED TOPICS OF MATERIALS

- Current issues of immunophysiology.
- Molecular and cellular mechanisms of immunoregulation.
- Immunopathology: pathogenesis and diagnostics of allergic, autoimmune, autoinflammatory and lymphoproliferative diseases.
- Primary and secondary immunodeficiencies.
- Infectious immunology.
- Immunopharmacology and immunocorrecting therapy.
- Vaccinal prevention and vaccine treatment.
- Allergology and allergodiagnostics.
- The organization of immunological and allergological service.
- Translation of basic research in the practical development.
- Clinical experience with cell and gene technologies.
- Biological and biotechnological bases of tissue engineering.
- Cryopreservation of human cells and tissues.
- New technologies in the creation of osteoplastic materials.

ORAL AND POSTER REPORTS

The desire to participate in the Forum with oral or poster presentation should be indicated in the appropriate column of the application form.

Based on the criteria of scientific significance submitted materials the Organizing Committee will select the works that can be presented at the Forum in the form of poster reports with a short (3 min.) presentation at the poster (in the presence of a mark in the registration form of the desire to make a report).

Oral reports.

During registration, materials of oral report must be must be given on a USB flash drive or CD/DVD and presented in PowerPoint Microsoft Office 2003-2010 format.

Poster reports.

Requirements for poster reports: **size** - 90*120 cm; **"cap"** - the data are placed in the order specified for the materials (theses); **font** - to be read from a distance of 2 m; **contents**: introduction, the purpose of the research, materials and methods, results and discussion, conclusions, references.

SECRETARIAT OF THE FORUM

Goncharov Andrey Gennadevich, Candidate of Medical Sciences

Yurova Kristina Alekseevna, Candidate of Medical Sciences

Sokhonevich Nataliya Aleksandrovna, Candidate of Biological Sciences

Vasilenko Mariya Aleksandrovna
